**January 2020**

Dear Praying Friends,

We are thankful that the Lord has allowed us to live to see this new year, and we pray that we will be useful instruments in His hands throughout this year!

We received a tremendous gift during December, as we were given a 12-passenger van for our ministry here! We are excited

about the opportunity to use this van to bring people to Jesus! Already, we have had the opportunity to use this van, and we are working diligently to make contact with other people that we will be able to bring to our services. Please pray that the Lord will lead us to people whom we can bring to our services.

It looks as if the Lord may open the door for us to get the Gospel into another venue. We have come into contact with a retirement facility that offers its residents anything and everything imaginable, except the Gospel. Several of the residents have asked us to begin holding preaching services, and we have made contact with the facility's management to obtain their permission to begin. We have no idea what will come of this opportunity, but we are excited about the possibilities. Please pray with us that this door will open wide and that we will have the privilege of sharing the Gospel with the many residents of this facility.

We are thankful for the opportunities that we have been given recently to share the Gospel with some individuals for whom we have been praying for a long

time. We are thankful that our witness has been received with attentiveness, and we are continuing to pray for the Holy Spirit to convince these individuals of their need to trust Christ. Please pray with us for these precious souls!

We had the joy of celebrating the 18th birthday of our youngest son, Jason. We are proud of

the hard work that enabled him to graduate from high school early, before his birthday. He has already begun attending our Bible Institute and is looking forward to what the Lord has for his life. We are thankful for his love for the Lord and his energy in serving the Lord. Please pray that he will continue to follow the Lord.

Anyone who has followed Jesus for any length of time knows that when the Lord begins to work and bless the devil will oppose with all his might. We are seeing the devil fight in the individual lives and families of those who attend our services. Please pray with us that there will be a victory in each of these battles. We do not want to see any of these precious people become a casualty in this spiritual battle.

Thank you for all the kind cards and gifts that we received during the Christmas season. Words cannot express our gratitude!

The Night Cometh!
