February 2021

Dear Praying Friends,

The “experts” warned us of a hard winter this year, but it has so far been very mild. This has allowed us more opportunities to distribute Gospel literature in several neighbourhoods of the city. We are thankful for this privilege and pray that God will give fruit.

Early December brought a non-lockdown-type lockdown. These restrictions were tightened in mid-December, and have been slightly eased since the first of the year. According to these restrictions, only 15% of the capacity of our facility are allowed to attend our services. The government, however, has not made this clear to the public, stating that indoor social gatherings are not allowed. This has confused many people into thinking that churches are not allowed to meet at this time. As a result, we have seen very few visitors recently. We are praying that this will change as we head further into the new year.

We continue to offer free New Testaments and salvation Bible Studies in our community. We have received a number of requests for these, and are praying that the Lord will use these efforts to lead to the salvation of the lost.

We had the privilege of baptizing three adults in the month of January! It was a great encouragement to everyone at our church plant to see these three with a desire to follow the Lord’s example. Please pray with us for the continued spiritual growth of these three precious people. Their hunger for the truth of God’s Word has been a real blessing to each one of us.

We are thankful for the three sons that God gave us. They are a great blessing to the ministry

here. James continues to lead the singing in each service, while Jared and Jason play their guitars. All three work with me to distribute Gospel literature throughout the city, and willingly do whatever is necessary to further God’s work here in the city.

In January, James and Jared began their final semester in our college-level Bible Institute. They continue to do well, and to pray for God’s continued direction in their lives as they look forward to completing this milestone.

In December, Jason publicly announced that the Lord has called him to preach. We are thrilled that Jason has surrendered to the Lord in this way, and we look forward to what the Lord will do with his life. He is also a student in our college-level Bible Institute, and is already beginning his training for the ministry. It is a privilege to put the Scripture into practice: “And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also (2 Timothy 2:2).” We are praying that God will raise up other young men in our little church plant to be trained for the Gospel ministry.

We believe that our Lord will soon catch away His people. We thank God for your willingness to enable us to be a light in Edmonton before that day comes!

The Night Cometh!
