The Jackson Family
Church Planters in Canada

February 2022

“For the LORD is good; his mercy is everlasting; and his truth *endureth* to all generations.” —Psalm 100:5

Dear Praying Friends,

We greatly rejoice in the fact that the Lord is good! Everywhere we turn, we see more examples of His goodness toward us. These manifestations of His goodness cause us to desire to serve and please the Saviour more than ever before.

Baptism

We reported last month that we had one baptism at the beginning of January. We are excited to add that two others followed the Lord in Scriptural believer's baptism two weeks after the first baptism. Two of these three men had trusted Christ before coming to us, but the third man trusted the Lord for salvation in December. We are all thrilled that the Lord is still saving souls and leading others to follow Him in baptism.

Salvation

As we mentioned, one man trusted the Lord in December. We still have several other lost souls visiting our services. Some have questions, and we are trying to schedule an opportunity to meet with them to discuss their salvation questions. Some others are still learning what real salvation is all about, and it conflicts with what they have always heard. Please pray that the confusion in their hearts and minds will be dispelled and that they will soon come to know the Lord Jesus as their Saviour.

Institute

One of our new members has joined our college-level Bible Institute. We are thankful for those who have the desire to learn more about

the Lord and His Word, and we are praying that the Lord will use this Institute to prepare a new generation of Bible teachers and preachers.

Immigration

James, our oldest son, has reached out to our local MP (Minister of Parliament) to try to move along his application for a Work Permit. The response he received was a standard reply, stating the immigration had not looked at his application and they could not say when a final decision would be reached on his application. Please pray for James to receive a positive response very soon.

The rest of the family has inched forward in the process toward Permanent Residence. We have now been invited to provide further information through the PR Confirmation Portal. According to information found in this portal, “Once your declaration of your presence in Canada has been accepted, you will be able to download your electronic copy of your confirmation of permanent residence document (eCoPR) in this portal...Once both your photo and address are accepted, your permanent resident card will be mailed to the mailing address you have provided.” Please continue to pray that we will receive confirmation of our PR status very soon.

Thank you for your continual prayer on our behalf. We could not long endure without the effectual, fervent prayer from God's people.

The Night Cometh!
