April Prayer Letter

Dear Praying Friends,

As we write our prayer letter each month, it seems like we constantly talk about what a joy and privilege it is to serve the Lord! This month is no exception, because God has been so very good to us in allowing us to serve Him in the place He has chosen for us.

Like many parts of North America, the month of March did not have the warming effect that we thought we might see. We saw quite a bit of snow and cold temperatures, but we remained busy in getting out with the Gospel.

Since the end of January, we have been teaching about the work of evangelism. We wanted to prepare the people here to reach out to the lost in a knowledgeable manner. We are so happy for the fruit we are seeing in the lives of those who attend, as they begin to witness to their friends, family, and coworkers! On Saturday, March 10, we held our first organized evangelistic visitation effort as those from our church plant came together to pass out literature in one of our nearby neighbourhoods. We were overwhelmed to see an attendance of 19 folks who were interested in reaching north Edmonton with the saving Gospel of Christ! With all the help that came out, we were able to cover one whole neighbourhood with information about our church plant and about the Gospel of Christ.

In the weeks since our first visitation effort, we have seen an average participation in the upper teens, which thrills our hearts to see! Not only that, but we have seen several first time visitors come out to our services as a result of our efforts, and even some returning visitors. These

visitors have been an encouragement to our folks to continue to be faithful to reach out to others with the Gospel. Please pray that our people will remain encouraged to come out and participate in getting the Gospel out. Also, pray that we will see souls come to know Christ as a result of our efforts!

We are looking ahead to the first anniversary of our first service here in Edmonton. We are planning some special events to mark that event, including the pastor of our sending church, Pastor Bob Jackson, coming to preach to us. We recently mentioned to our folks that God has done far beyond what we had asked for in this first year. This makes us excited to see what the Lord will do with this little church plant in north Edmonton in the next year!

It is easy to become excited about what is going on here, and forget that all these good things have come from the hand of the Lord! Also, we cannot fail to recognize that these blessings are the direct result of the prayers of God's people. All we know to do is to humbly thank you for your prayers, and ask you to keep on praying for us and His work here!

The Night Cometh!
