Dear Praying Friends,

So often we feel like Mephibosheth, when he said, “What is thy servant, that thou shouldest look upon such a dead dog as I am (2 Samuel 9:8)?” We are not the best and the greatest, yet the Lord has graciously chosen to place us into His work and use us for His glory. It is humbling to recognize the greatness of the God Who loves us and uses our lives for His service.

We challenged the folks in our ministry to see how many first-time visitors we could invite during the course of the month of March. I know everyone was working to invite family, friends, and co-workers to our services. As you would imagine, not everyone invited came, but we saw more visitors during March than we have seen recently. It has been exciting to see these new faces, and especially to see some returning visitors. Please pray for wisdom and blessing as we follow up with these visitors. Some have made a profession of faith in Christ, and need to become part of a New Testament church. Some are unsure of their spiritual condition and need clarity from the Lord about their salvation.

We were blessed with one couple coming to join with us. They have already been a great blessing to us by jumping in to participate in everything they

can. Their hunger to learn more from the Word of God is exciting to all of us.

Please continue to pray for James' immigration status. The immigration stream through which he plans to apply for Permanent Residence has been paused until the current backlog can be dealt with. He is not in danger of being kicked out of the country, but he cannot progress to Permanent Resident status until this stream opens up again. As soon as this opens, he has

everything prepared to send in his application. The application process could take some time before receiving approval, but he would feel better knowing the process is in progress.

We have been blessed by the weekly services we are holding at the Venta Care Centre. It seems like we have more residents attending each week. They seem excited to attend each week. We have had many opportunities to present the Gospel, and are praying for the seed to fall on good ground.

We are thankful to serve the Lord together, for His glory and praise.

Humbly His,
