June Prayer Letter

Dear Praying Friends,

We have completed our first month meeting as the True Life Baptist Church, and we are amazed at what the Lord has done in that time. We marvel that the Lord would allow us to be a part of His work here in Edmonton!

The month of May was busy month, as we learned a new schedule, and continued our efforts to distribute John and Romans in our area. The Lord blessed

us with some great weather, and we were able to distribute over 1,000 John & Romans, besides over 1,000 flyers that were scattered across our community. We are praying that the Lord will bless these efforts, and we believe that He is blessing already!

We are adapting to a new schedule and routine. Because of the place where we are meeting, our first Sunday service is at 2:30 in the afternoon. This is very different from what we have been accustomed to, but we are adapting. We also have some setting up to do before each service and some tearing down following each service. We are getting into a routine with that, as well. We are thankful that the hotel in which we meet has allowed us to leave our pulpit, inside which we are able to store songbooks, and other supplies. This has helped a great deal with what we have to haul in and out for each service.

We could not begin to express how grateful we are for our three sons. They have stepped up to help with our distribution efforts. Without their help in this area, we would not be able to cover as much ground as we have. They have also been faithful to get things set up and taken down each service so that Becky and I are free to talk with our visitors. James has been a huge help by leading the singing, and Jared and Jason have taken to playing guitars for our congregational singing, which has been such a help. They have also been faithful to talk to people about the Lord, pass out tracts and flyers to individuals, and

and doest
wondrous things:
thou art God alone.**

anything else that is needed in our ministry here. **Please pray** that the Lord will bless them for their faithfulness to serve with us in Edmonton!

We have been overjoyed to see first-time visitors in almost every service. **Please pray** that the Lord will bless as we follow up with each of these visitors. We know that we have had lost people in our services, for which we praise the Lord! **Please pray** that the Lord will use us to bring these

precious souls to Him!

We are planning to host a cookout at our home on Canada Day (1 July). We want this to be a time for some folks who have visited in our services to have a better chance to get to know us, and begin to trust the Gospel message that we are presenting to them. **Please pray** that our cookout will be more than just a time of food, fun, and games, but that the Lord will be glorified.

Last month we mentioned an issue with our immigration paperwork. We have spoken with several professionals about this, but it seems like we know more about the legal situation than they do. As a result, they have not been able to give us any clear answers regarding our situation. It is possible that we could apply for Permanent Residence at the end of July, and totally bypass the problems we are now facing, but this issue may prevent us from being qualified to apply. **Please pray**, as we seek the Lord's wisdom in the next step forward.

Thank you for all the emails, letters, and notes that we have received recently. They are a great encouragement to us! Most of all, thank you for praying!
