## July Prayer Letter

Dear Praying Friends,

We are constantly amazed at the blessings which the Lord gives to us on a daily basis. We feel so undeserving of His goodness to us, yet He continues to give. It is certainly true that He adds no sorrow to His blessings!

### **Church Update**

We were blessed to see a number of first time visitors in our services throughout the month of June. Some of these visitors were from out of town, but not all of them. We have worked at following up on the local visitors, and have received a positive response from nearly every visitor. We are seeing some of these visitors coming consistently, which is a real blessing to us.

God blessed us with the opportunity to sit down with a young Native lady, named Lacey. She had a number of questions about the Bible, and was seeking answers from us. While trying to answer her questions, we were able to present the Gospel to her clearly. She did not trust Christ on that night, but she has assured us that she will continue to come out to our services, and we are praying that the Lord will open her heart and understanding to her need for Christ. Please pray with us for Lacey.

We continue to pass out flyers each week, in the surrounding neighbourhoods. We are averaging 300 flyers per week. We have also been distributing John and Romans in other areas, but we ran out of the ones we had in stock. Between our mail out and our personal distribution, we have distributed over 12,000 John and Romans since the first of the year. Lord willing, we will be able to get more John and Romans within the next few weeks, so that we can continue to distribute them throughout the summer months.

“...a famine of hearing the words of the Lord...” Amos 8:11

### **Personal Update**

Please continue to pray for me concerning my blood pressure. The doctor has changed my medicine several times, but hasn't found anything that is successful in maintaining an appropriate level of blood pressure. The doctor has scheduled a stress test for me, which will occur in August, to see if there are any other issues that might be contributing to the high blood pressure.

Please pray with us about possibly purchasing a second vehicle. We have run into some conflicts between personal needs and ministry needs, which could easily be relieved with a second vehicle. We have also had some folks ask about getting a ride to our services, but we have no room in our vehicle to pick anyone up. Please pray that we will have wisdom and direction in God's will.

### **Support Update**

We have received support from two new churches recently. This is very exciting for us, as it puts our support level at about 85%. We are thankful for the way that God has enabled us to sustain ourselves and our ministry here in Canada without the benefit of 100% support. It is not always easy, but God is gracious to us.

Thank you for taking the time to pray for our needs and ministry! We love you all and appreciate you more than words could express!

The Night Cometh!
