

July Prayer Letter

Dear Praying Friends,

Each time I sit down to write another prayer letter, I am amazed at all the Lord has done for us! Things are not always easy, but our great God gives us no reason to complain as He supplies and directs each step along the way!

We have been meeting in the Fairfield Inn & Suites since we began holding services last year. These facilities have been beyond what we expected, and the staff have been very friendly and helpful. However, we have begun to sense the need for a different meeting facility that will allow us to have a nursery/toddler class, as well as a Sunday School class for the younger children during our main preaching service. Of course, this means a greater expense for the church, but we are thrilled that they have already been able to pay the rent on our current meeting place since the fall of last year. This will take a step of faith for our folks, but we know that the Lord always rewards faith. Please pray that the Lord will open up the door to the right place at the right time here in north Edmonton.

We have enjoyed a number of new faces recently. We saw two first-time visitors at our church picnic, and are hoping to see them out for a regular service. We also saw an out-of-town couple visit with us on Father's Day. However the Lord sends them, we are thrilled to see continued interest in our church. Please pray that we will continue to see visitors, and that the Lord will do a work in their hearts!

We had planned to mail out John & Romans into new areas of north Edmonton this past Spring, but several obstacles arose to hinder that project.

It does look as if we will be able to go ahead with a mail out of about 8,000 John & Romans later in July or early August. Please pray that the Lord will prepare hearts to receive the seed of the Word of God!

We are excited to see the Lord working in the hearts and lives of those who attend our services. We are seeing some of the believers grow in their walk with the Lord. We are also seeing others asking questions about their spiritual condition. Please pray for continued growth among those who are saved, and for true conversion for the lost!

We have one course left to teach this year in our Bible Institute. James and Jared have done very well, and we are grateful for their desire to know more about the Lord and His Word! Please pray for them to continue to grow in their knowledge of the Lord Jesus Christ.

Anyone who has walked with the Lord for any length of time knows that when God blesses, the devil fights! We have seen the devil fighting in several different areas, and among several different families. Please pray for wisdom as we try to help these folks to recognize the battle they face, and to realize the victory that Jesus offers. Also, pray that the Lord will have the victory, as people yield themselves to His leadership!

The Night Cometh!
