

“And let us not be weary in well doing: for in due season we shall reap, if we faint not.” —Galatians 6:9

Dear Praying Friends,

In 1 Corinthians 9:10, the Apostle Paul talks about the farmer who will “plow in hope.” That is what the ministry is all about: sowing the seed of the Word of God with the assurance of a harvest. It may seem a long time in coming, but “we shall reap, if we faint not.” These are precious promises from the Lord!

We have continued to sow the seed throughout the month of June. There have been several opportunities to speak to individuals one-on-one, as well as the distribution of Gospel literature throughout north Edmonton. We also received several requests for free New Testaments. Please pray that the Lord will take the seed sown and produce a harvest of souls!

I have been meeting with one man for five months. He had so many questions about salvation and what it means to have a relationship with God. For a time it seemed that he might never come to the point of trusting Christ, but on Monday, June 19th, Tyson trusted Christ as his only hope of salvation!

The Lord has truly transformed his life, and I am excited about spending time with him in discipleship. Please pray for his continued growth in the Lord Jesus.

Most months we fill the pulpit in two other churches in Alberta. We filled the pulpit for a third church during the month of June. This church has been without a pastor for several years, and reached out for periodical pulpit supply. We won't be visiting them every month, but we will do what we can to encourage them to stay faithful to the Lord Jesus. We have mentioned the need for faithful men of God to fill these pulpits and lead these churches. It seems like the need for labourers is greater as we approach the Second Coming of Christ. We know that God is still calling men into his work. Is He calling you? I am so thankful for the help that our youngest son, Jason, is to this aspect of the ministry. He has surrendered to the Lord's call to preach and he helps with preaching out and filling in when I preach elsewhere. Please pray for faithful labourers for Alberta!

Humbly His,
