

Dear Prayer Partners,

July was a fun and busy month for us as a family and church. We enjoyed some great church services with many visitors and great opportunities to share the Gospel.

Personal

After several months of waiting, Jason started working at the bank on 19 July. He hired in as a part-time teller, but has been working full-time hours since the first day. He has enjoyed his work so far, and has already begun setting a testimony in his branch. Please pray that Jason will have opportunities to witness for the Lord to his coworkers and that he will live a consistent testimony before them.

Becky and I celebrated our 25th wedding anniversary in late July. We had a wonderful time of celebration together and the church here surprised us with a cake and card. We are thankful for the tie God has given us together and we look forward to many more years of serving the Lord together.

While things have gone well for us personally, our extended family have kept us busy in prayer. During the month of July, my parents both had procedures with potential findings that were frightening. We are thankful that the Lord heard our prayers and that they both received good results. My aunt received a pacemaker which has not been working as it should. She had an episode where the pacemaker malfunctioned and her heart stopped. We are thankful that the Lord was merciful to us and she is much better, although the pacemaker still seems to have issues. Finally, my wife's nephew and niece-in-law need your prayers. A house fire destroyed their home, caused burns to 45% of her body, and took the life of their three-year-old son. She is still in the hospital, and will be for the next several months. The scars from their loss will take much longer to heal.

Church

We hosted our annual church picnic at our home on the first Saturday in July. It is customary for us to have rain on the day of our picnic and this year was no exception! Despite the rain, we had a wonderful time of food and fellowship together.

A group of us went to a downtown farmer's market to distribute Gospel literature. While we could not give a tract to every individual we met, we did enjoy a positive reception. We even had one couple visit the church the following day as a direct result of this effort. Please pray that God will give fruit for our continuing efforts.

Most of our church group travelled to Innisfail, Alberta to visit the Dinos Centre on 30 July. This centre has many fun activities, such as mini gold and laser tag. It also houses a History and Bible museum. We were privileged to have a guided tour through the museum, where some of our lost visitors had questions regarding creation vs. evolution answered from a Biblical worldview. We are praying that this time will bear fruit in hearts, that they will turn to the Saviour.

After 26 months in our current location, we have taken the decision to change locations. We spent much time patching nail holes, painting, and general cleaning in preparation for this move. We are thankful to some of our church folks and our entire who sacrificed time to accomplish all the little tasks that were a part of our move-out checklist. We are looking forward to what the Lord will do in this new location.

Thank you for taking of your time to pray for us and the work here. There is much left to do, but we press forward by the power of God.

The Night Cometh!
