## August Prayer Letter

Dear Praying Friends,

Paul's admonition to Timothy, under the inspiration of the Holy Ghost, was to keep on preaching, even when it is not convenient or comfortable, either spiritually, physically, or emotionally. As preachers of the Gospel, we must always be ready to present the teaching of the Word of God, for this world is in such need of the truth!

Preach the word;  
be instant in  
season, out of  
season; reprove,  
rebuke, exhort  
with all  
longsuffering  
and doctrine.  
2 Timothy 4:2

should be able to get back to distributing John and Romans booklets sometime during the month of August.

We had the privilege to sing and speak at a youth camp, during the last full week of July. It was a wonderful opportunity to encourage young people to focus on the things of God. We are thankful for the souls that were saved, and every decision for the

We had a very busy July. We started off with our first-ever church barbecue on 1 July (Canada Day). We were blessed to have one supporting pastor and his family with us on that day, and we enjoyed a great time of food and fellowship together. Even the rain didn't dampen our spirits as we spent valuable time together.

Because of family emergencies and family vacations, I was asked to fill in for other churches on three different Sundays in July. On those particular Sundays, I was privileged to preach either four or five messages from the Word of God. Those days were very physically trying but spiritually uplifting. We were pleased to see some men and women coming to the altar to do business with the Lord after these messages, and we pray that these folks have been helped.

Our distribution of John and Romans in our area came to a sudden halt when we ran out of all the thousands that had been printed and collated for us. Of course, over 8,000 of these were used during the mail out which was sent just prior to our church opening services. We are thankful that we saw a number of first-time visitors during the month of July, as a direct result of this mail out. Thankfully, we have more John & Romans on the way and

Lord!

July 24 marked the 20th wedding anniversary for Becky and me. In so many ways it seems as if we could never have been married that long, and in other ways, it seems as if we have always been together. I am thankful that the Lord put us together all those years ago, and I pray that the Lord will give us many more years together, serving Him faithfully.

Please continue to pray for the lost souls who have been in our services. We have had many promises to attend our services, and we are happy that some of them have come out for a service. We continue to invite everyone we can, and share the Gospel as the Lord grants us the opportunity!

Thank you so much for taking the time to pray for our personal and ministry needs!
