Dear Praying
Friends,

Those who believe that living for the Lord is boring have no idea what they are missing! There is always something “new and exciting” that comes with serving the Lord.

Application status

We are processing your application. We will send you a message when there is an update or if we need more information from you.

aside money for his immigration costs (sadly, some of these fees had already been paid for him, in anticipation that he would be included in our application), which will cost about

\$2,500, plus the fees for sponsoring him.

Visitation Mishaps

Our family has been distributing Gospel literature throughout the “pandemic season,” but we were not going out as a church. As we neared the end of our restrictions, we were able to put together about 2,500 John & Romans booklets with the help of Bro. Phil Smith and BPS Mobile from Vision Baptist Church in Leduc. The following weekend we were out as a church, placing John & Romans in neighbourhood mailboxes. That first Saturday, one lady broke her foot as she came down the steps of one house. Her foot has been healing nicely, and she has been out with us several times since then. On 17 July, I was bitten by a dog as I was leaving one house. I didn’t think the bite was too bad, but needed a tetanus shot to prevent possible problems. As a result, I went to the ER that afternoon. Sadly, it was a busy night at the ER, and we didn’t get home until 4:00 AM Sunday. On top of this, I was scheduled to preach for Vision Baptist Church that morning, along with our regular services.

In spite of these mishaps, we are continuing to share the Gospel at every opportunity. Please pray with us 1) for protection as we go out and 2) for fruit for our labours.

Immigration

We have heard nothing more regarding our immigration applications. Please pray with us for a quick, positive response to our application for Permanent Residence.

As we mentioned before, James was not included in our PR application due to his age. Our plan is to sponsor him as soon as our application is approved. We have begun to set

Church Update

We are continuing to see visitors in our services, which is an encouragement to us. We are also seeing positive growth among our folks. God has been very good to us and is patiently moulding us into the image of Christ.

Ministry Opportunity

We want to return to holding church services in long term care facilities in the city, which we began just before our first lockdown. We found that these facilities are happy to host a service on Sunday morning. Since our Sunday services are still scheduled in the afternoon, we are usually free to preach out in other places. As far as our present schedule is concerned, we will not be able to return to these facilities until Vision Baptist Church’s new pastor arrives in September. This ministry will be fulfilled by our three sons, who have been taking up greater ministry responsibility since the recent graduation of the two oldest boys. Please pray that we can get this ministry up and running again very soon, and that we will see souls reached for Christ through this ministry.

The devil is always fighting against the work of God, but we trust in the Lord of Hosts! He is able to provide victory to us, and we are trusting that He will do so!

The Night Cometh!
