Dear Praying Friends,

The Apostle Paul commands us to “Walk in wisdom toward them that are without, redeeming the time (Colossians 4:5).” Walking wisely and redeeming the time have been our goals throughout the summer months. We pray that the Lord has found us faithful to accomplish these things through the power of His grace.

We actively promoted our special end-of-summer Sunday by inviting those we came in contact with, as well as by passing our several thousand flyers. We did see visitors on that Sunday, but not any of the ones we had invited. We will continue to follow up with those we talked to personally, and see what the Lord does in their lives.

We have also been gearing up for our very first Ladies Gathering, which will be held on 14 September. We have invited a number of other independent Baptist churches in Alberta to attend, and we have confirmation of about 110 ladies who are planning to attend. Please pray that this meeting will be an encouragement to each lady in attendance, especially to those of our church. We would love to see this become an annual gathering of ladies, finding encouragement in the Lord and having fellowship one with another.

Summer months often mean travel and activities for many churches. That leaves opportunities to fill the pulpits of churches whose pastor is out of town. We had the privilege to fill the pulpit for a church on the Paul Band Reserve, west of Edmonton. We also rejoiced to be able to fill the pulpit for a church in central Edmonton. Our prayer is that the preaching of God’s Word was a blessing and a spiritual help to those who heard the messages. We are humbled and thrilled that we are able to be a help to other pastors, by filling in for them when they are away.

We have had no word about our immigration applications. I still say that “no news is good news” at this point. We do not have the opportunity to call and check on our applications, so we must exercise patience. Please pray that we will be patient until the time that the Lord gives us our new immigration status.

Please pray for a harvest as we continue to go out seeking the lost!

The Night Cometh!
