Dear Praying Friends,

Life is often difficult, full of fear and terror. Yet, the Lord is our refuge in those times of trouble. That is a truth that we learn in a deeper and greater way as we grow in the faith and our knowledge of the Lord Jesus.

The month of August was another busy month for us, as we continue to serve the Lord in Edmonton. We continue to receive calls and emails about our church plant as a response to our efforts, and are praying the Lord will use our outreach efforts for the salvation of souls.

We have been seeing visitors in many of our services. One married couple, in particular, has been seeking a good church to attend. Please pray that the Lord will speak to their hearts about their need to join the membership of True Life Baptist Church. Another lady in her 80s, with whom Becky visits three days a week, has begun attending our Sunday services. Her daughter has expressed interest in attending our services, as well. We are praying for both of these ladies to come to know the Lord Jesus.

Terry Truman, whose salvation we reported last month, has been growing in the Lord. She frequently asks Becky to play the Bible for her to hear. Sadly, she is physically weakening, and we do not know how much longer she has in this life. Knowing that she has found the Friend "that sticketh closer than a brother (Proverbs 8:1)" is a great comfort to her and to us.

We designed and printed a new 3x5 card to distribute in our outreach efforts. This card begins with the Coronavirus and fear, and ends with salvation in Christ. We are excited about these cards, and are praying that the Lord will use them to open hearts to the Gospel.

My sister continues to broadcast her false accusations against us. She has even contacted people within our church plant and churches that we do not know, throughout the United States and Canada. She has stated that she will not stop until Jason admits to the things of which she has accused him, no matter how far she has to go in order to bring that about. Of course, he will not admit to these falsehoods. Please pray that the Lord will put a stop to these false accusations, as they are a

distraction from the work of the Lord to which we have been called, and that she will see her need for the Saviour.

Prayer Requests

- 1. Mail Out.** Our church plant has saved our recycle bottles for over a year in order to mail out flyers in our area to share the Gospel and advertise our church. The timing could not be better, since we recently moved into a new area. We are blessed to send out 2,616 flyers within 1 kilometre of our meeting facility. We are targeting apartments and condos, which do not allow us to enter their buildings to knock doors. These flyers are scheduled to hit mailboxes between 7-11 September. Please pray for visitors and for souls saved.
- 2. English Test.** As our first step to get back into the immigration pool, Becky and I have scheduled our English test for 10 September. Please pray for us.
- 3. Devonshire Village.** This is the retirement village where we were able to preach once, and where *Terry Truman* was a resident. Due to the ongoing precautions surrounding coronavirus, we have yet to be able to preach the Gospel there again. Please pray that we are able to return soon, and that the seed sown back in March will continue to bear fruit.
- 4. Bible Institute.** In September, we begin the fourth year of our college-level Bible Institute. Our oldest sons, James and Jared are scheduled to graduate at the end of this school year. Please pray that the Lord will use this training to prepare God's people to faithfully serve Him!
- 5. Jason's Health.** Jason is scheduled for a 48-hour heart monitor on 17 September. We are praying that this will give us some answers, as other tests have returned normal.

Thank you for all the calls, emails, and other notes of encouragement that we have received in the past several weeks! You are a tremendous blessing to us!

The Night Cometh!
