September/October Prayer Letter

Dear Praying Friends,

The past two months have been busier than usual. So much so, that I wrote a prayer letter for the month of September, but never got it sent out! We are not complaining, because it is a joy to be busy in the work of the Lord!

The Lord blessed us with a large offering from one of our supporting churches, which enabled us to purchase a second vehicle. This has helped us to better use our time in taking care of personal and ministry obligations. It has also opened the door for us to be able to pick up some folks for our services, who would otherwise have no way to come. We are praying that the Lord will bring other people across our path who we can bring in to hear the Word of God!

We had totally run out of John and Romans early in the summer, so our distribution efforts came to a standstill for a while. Thankfully, we received nearly 3,000 John & Romans during the month of August, and have been able to pass out over half of these since that time. We have received calls from the distribution of these John & Romans, as well as from the flyers that we have distributed. Some are very interested to hear more about our church, and others are angry because we do not teach their brand of heresy. Please pray that the Lord will allow the seed of His Word to fall on good ground.

We are thankful for the first time visitors that have come out to our services. Some have been guests of the hotel where we meet, but there have been a number of local people who have also come. Please pray that the Lord will bless as we follow up with each one of these individuals and families.

Some of the folks attending our services need salvation, others need to follow the Lord in scriptural baptism. Please pray that the Word of God will

have full effect in every heart, so that the proper decisions will be made.

Quite often we find the hotel custodian or hotel reception staff standing near the door of our meeting room during our services. It is comical to watch them try to find reasonable excuses to be nearby so that they are able to listen to the preaching. We are so thankful that they have the interest to hear what is going on in our services, and we would ask you to pray for their salvation.

We are about to begin a discipleship class with one young lady, who has been saved a short time. She has come to us from another church in Alberta, where she was saved. We are excited to be able to have a part in her spiritual growth. Please pray for her spiritual growth, as well as anyone else who may choose to take part in these classes.

We have begun to hold Bible Institute classes with James and Jared. They are doing well, and seem to enjoy the subject matter, so far. It is impressive to see them already making proper decisions based on the things that they have been taught. As God blesses the ministry here, we will gladly incorporate others into these classes, helping to prepare men and women for the ministry, and to be more fruitful church members.

Please pray that we will have the physical health and the spiritual strength to continue in all the things that we have going on! We believe that we will reap a great harvest if we do not faint!

Thank you so much for having a part in our ministry through your faithful prayers!

The Night Cometh!
