November 2021

Dear Praying Friends,

It is a joy to serve the Lord Jesus Christ in these Last Days, but it isn't always easy. There are always obstacles and adversities accompanying those who make the Lord their priority. We have known this for many years, but as we draw closer to the Lord's return, it seems that we are learning to live this truth more than ever.

The Importance of Doing Things Right

We have not received a final response from our applications for Permanent Residence in Canada. In fact, we were not able to supply Immigration with the information they requested until recently (3 November). Please pray that this will be the last bit of information required by Immigration, and that they will swiftly approve our applications.

As we reported some months back, James was disallowed from inclusion in our PR application due to his age. This was a disappointment, but we were able to make his application for an open Work Permit recently. An open Work Permit would allow him to work wherever he can find a job. The processing time for a Work Permit is much shorter than that for PR, so we are praying that he will have a definite response before Christmas.

The Importance of Discipleship

We recently began teaching through the ABCs of Christian Growth in one of our Sunday Services. After teaching the first two lessons, the Lord prompted me to turn that responsibility over to James, Jared, and Jason. They have taken turns teaching each lesson through this series. This has been a wonderful training opportunity for them, and the material covered has been a help to our people. We praise the Lord for this!

We continue our Bible Institute, with two full-time students and three auditing students. We just completed two months teaching about Our English Bible. This has been a great tool in building up the faith of these students. Please pray that they will continue to learn and grow in the Lord.

We have one young man who has recently started to attend our services. He lives an hours' drive north of the city, and has been seeking a Bible-preaching, Bible-practicing church. He has recently endured some difficulties and we want to encourage him in the Lord. We are thankful that he has chosen to meet with us. Please pray with us that Vlad will grow in the grace and knowledge of the Lord Jesus Christ.

The Importance of Local Evangelism

It is wonderful to watch the excitement of our folks to participate in distributing Gospel literature in the neighbourhoods surrounding our meeting facility. We have been blessed with the opportunity to distribute hundreds of John and Romans to homes and individuals, and we pray that the Lord will use the seed of God's Word to bear fruit in the hearts of men, leading to the salvation of the lost.

The Importance of World Evangelism

We closed out the month of October by preaching the Sunday morning message of Vision Baptist Church's Missions Conference. After helping to fill their pulpit while they were without a pastor, we expected that they would be happy to hear someone else. Yet, they chose to invite us to be a part of this special time, and we count that as a privilege! We are praying that the Lord will use this Missions Conference, and each speaker, to challenge His people to move forward to evangelize the world!

I have been invited to preach a Wednesday night message in November for a church in Calgary. This is a part of their Missions Emphasis Month. Please pray that the Lord will use the preaching of His Word to challenge the heart of each member of this church.

The work goes on, in spite of any difficulty or hardship we may face. Thank you for praying for us! We see God's hand moving here, and we know it is due to your prayers!

The Night Cometh!
