Dear Praying Friends,

October was another busy month, filled with exciting events. We are thankful for the health and grace the Lord gives, allowing us to walk with Him and serve Him daily.

We had two pastor friends visit our services with their families. It was neat that they attended on the same Sunday. We enjoyed a lot of good fellowship together with them, and got to know the one pastor much better than we had previously. It is a blessing to have faithful men to encourage us.

My parents were able to visit us for ten days. This is the first visit we have enjoyed altogether for several years, and we are thankful for the time we had. It was a privilege to have my Dad preach for us while he was here. It was a treat for some of our folks to hear him. All in all, it was a refreshing and encouraging time we were able to spend together.

Because of when my parents' trip fell, Jason decided to work through the summer months to finish his college-level Bible Institute. His hard work allowed us hold his graduation ceremony while my parents were here. This was a very special time for our family. Jason has a special heritage of godly men who have set an example for him and gone on to glory. Pray for him as he seeks God's direction in the next step of serving the Lord. He is faithfully serving now, but I believe the Lord wants to use him greatly.

Our folks have been giving toward sending a small mail out into the apartments of our area. We aren't able to knock doors in these apartments, but Canada-Post will deliver a postcard with an invitation to our church and a short Gospel message for a price. We have been promoting this for some months now, but we are thankful for one supporting church which sent a special offering to more than reach the goal we had set for this mail out. We weren't able to schedule the

mail out as soon as I'd like, but it will go out the last week of November to 1,451 apartments. Please pray that we will see visitors through this outreach tool, and that souls will be saved as a result.

Please continue to pray for Tyson. He is out of the hospital, but his work schedule has kept him away from church. We are trying to arrange other times to disciple him, but it has been difficult. We want to see him growing in the Lord.

Since the sad events in Israel on 7 October, there have been numerous pro-Palestinian protests in Edmonton. These protests underscore the need for people to hear and receive the Gospel message. It

also reminds us that the Lord is coming soon and our window of opportunity to reach the lost is small. Pray that we will be faithful to seek opportunities to witness for the Saviour.

Humbly His,
