### December Prayer Letter

Dear Praying Friends,

November was another wonderful month of serving the Saviour! We have enjoyed the winter weather, which has slowed some of our outreach efforts, but we are pressing forward with the Good News!

We were thrilled to be able to preach one night in a Missions Conference in Calgary. It was great to see old friends, and fellowship together around the challenge of getting the Gospel to the regions beyond. We are praying that the Lord will use the special music and message to encourage God's people to prove their love for the Saviour by their involvement in missions.

We are thankful for those who have been attending our Discipleship Class. This is much less formal than a regular church service, and gives these young believers the opportunity to ask questions and find answers from God's Word. We are excited to see some of the growth that is going on in lives, as a result of this Discipleship Class. We are praying that this will continue.

We received another shipment of John & Romans for distribution in our area. We are hoping to do another mail-out of 8,000+ John & Romans in the new year, focusing on reaching further north and west of our area. Our desire has been blessed by God, as one church has already stepped forward to pay for the postage for this project! We are excited to see what God does with this effort.

For some time I have been writing devotionals for my sons, and sharing them with others as the Lord has offered opportunity. One of our friends, Bob Ford, read one of these and encouraged me to have these printed in tract form. In actuality, he had them printed and shipped to us, and we received them last month. They are entitled "Have You Been Born Again?" We are so excited to have another tool to use in sowing the seed!

We are thrilled to report that two families joined True Life Baptist Church in the past two months. We are thankful

**They that sow in tears shall reap  
in joy. -Psalm 126:5**

for their desire to serve the Lord here, and be a help to us in reaching out into this area for the Lord!

We have several prayer requests that we would like to put before you. Two are of a personal nature, and the rest have to do with the ministry here.

•Personal:  
•Immigration — our intention is to apply for Permanent Residence (PR) very soon. Pray that the process will be quick and painless.  
•Importation — we need to formally import our vehicle into Canada, and have it registered here. There has been a snag with our bank in the US, but we hope to have this situation resolved very soon.

- Ministry:
  - Contacts — pray that we will continue to make new contacts with people, widening our ability to influence souls to the Saviour!
  - Visitors — pray that those who have visited will continue to come, and allow God to speak to their hearts concerning salvation, baptism, or whatever spiritual need they may have.
  - Spiritual growth — pray that the believers with whom we are working will continue to grow in the Lord, and that we will have wisdom in leading and teaching them to that end.
  - Bible Institute — pray that James and Jared will continue to do well in their studies through our Bible Institute.

Thank you so much for faithfully praying for our ministry here in Edmonton!

The Night Cometh!
